1 Welcome to Cape Escape

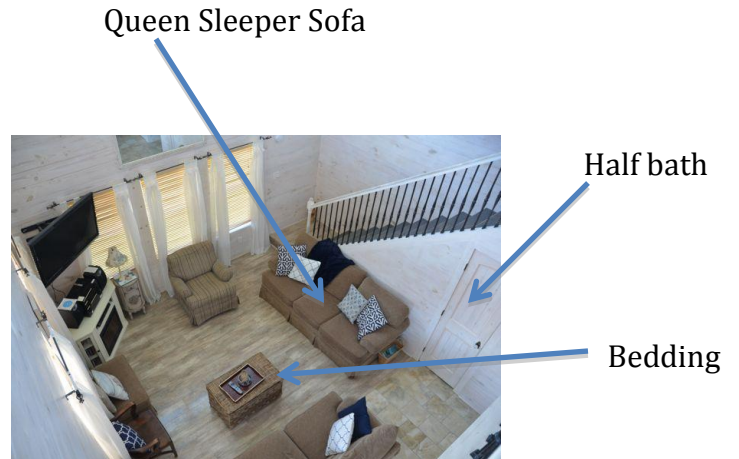

Hello! Robert, Teresa, Grace, Taylor, and Hunter welcome you to our home. We pray that you will have a blessed and memorable stay. If you need assistance, Cobb is available during normal business hours 7 days a week at 409-684-3790 and after hours at 409-771-6331. For any major issues with the Golf Cart, you should call Jay McCurdy with Texas Custom Carts at 915-203-3330.

Below is a basic list of helpful tips to get you started. You will find more details in the following sections.

- There is a welcome basket from us – the owners- for your pleasure. In it you will find a post card of Cape Escape with contact information and websites for your convenience. Keep it and, if you want to come back for a future vacation, you'll have our contact info. Or pass it along to a friend.
- Internet password: **(shown on hard copy in the house)**
- All 6 TVs are powered by Direct TV and have DVR/DVD/Blu-ray capability. TV's are all "smart" capable (either direct or via Blu-ray or Xbox).
- Living room Audio and Visual equipment: **Please use the Universal Remote.** Make sure all items are "off"; then you can push "watch TV" or the "more Activities" button. There are 7 activities to choose from. Select the one you want and point the remote toward the items for a few seconds (activates them one at a time). Give the Satellite and Stereo receiver a few seconds to fully become operable.
- There is an Xbox 360 in the Game Room for your use. There are several games provided. Please keep these games separated from those you brought and place the controllers back on the charger after playing.
- Living room ceiling fan and light remote controller is mounted by the front door. This should not be removed from mounted position. Use the light switch to activate power and the remote to control the fan speed and turn the light on and off.
- Feel free to use and eat anything in the cabinets, fridge, etc.
- There are pillows and blankets for all 20 sleeping areas in the home. They are located on or near each bed. Bedding for the queen sleeper sofa in the living room is in the wicker basket coffee table, and the bedding for the Game Room futon and EZ-bed is in the closet.
- Please **DO NOT** put Cape Escape Quilts, Shams, Blankets, etc. into a pile on the floor with the sheets and towels to be picked up by Linen service. Please leave them on the beds.
- All bathrooms have timed exhaust fans to help dry the moisture as quick as possible. Please use each time you take a shower (during and after), and run for at least 20 minutes.
- **Our home is on a septic system so please do not flush anything but toilet paper, and liquids only down the drains. Also, only use liquid detergent in washing machine and dishwasher – no pods or powders please.**

- There is a locked storage room on the ground floor that contains a gas grill, charcoal grill, bar stools, chairs, beach toys, etc. Feel free to use any of these. **Your key to the house will open this door.** You may also want to store some of your personal beach gear here as well.
- Two hot showers and three hoses are available on the ground floor to rinse off and clean up before coming in to the home from the beach. Please help keep as much sand outside as possible.
- If you are renting the Golf Cart, **please rinse it off at least once a day, every day!** Please rinse everything including the undercarriage and engine compartment (flip up the backseat). SUPPER UNLEADED gas only please. You can fill up with the can or drive to the station at Stingaree. Please leave the tank or can full. Golf cart problems – please call Jay at 915-203-3330.
- We'd love it if you have a few minutes to sign our Guest Book and write a review on the Cobb site to let us know about your time at Cape Escape. You can also send suggestions to **info@capeescape.net**.

CAPE ESCAPE GOLF CART BINDING GOLF CART AGREEMENT

(Please read carefully before signing and returning.)

In consideration for the rental of the golf cart provided by Owner of CAPE ESCAPE,

I, _____, agree to the following conditions. In the event that I violate any of the following conditions, I agree and understand that further use of the golf cart may be revoked immediately and without notice:

1. I promise to return the golf cart to CAPE ESCAPE immediately upon completion of the rental period in as good condition as I received the same. I will operate the golf cart safely and responsibly, and I will preserve and protect the golf cart from loss or damage to the cart itself, my person or property, and the persons or property of others. I agree and understand failure to comply with the terms of this agreement will result in a forfeiture of my rental fees and deposit. **I agree to be legally and financially liable for all costs of repairs to the golf cart and for the loss, damage and/or injuries to my person or property and the persons or property of others regardless of fault.** I agree to reimburse the golf cart owner for such unrecovered costs, including but not limited to deductibles and any uninsured losses.

2. I agree to hold harmless, defend and indemnify Cape Escape and Cobb Real Estate, Inc., for any and all damages and claims of any nature whatsoever that may arise from the use of said golf cart during the time of the rental period, including but not limited to claims for damages to the golf cart itself, my person and property and the persons and property of others.

3. I agree to become familiar with the operation and use of said golf cart, to read the "GOLF CART INFORMATION SHEET" and any other instructions provided to me regarding the cart, and to operate the golf cart in accordance with said instructions. I Agree to contact COBB REAL ESTATE or Jay (915) 203-3330 if I have any questions or concerns about operating the golf cart or if my guest or I have caused any damage to the golf cart or others through the use of the golf cart. I agree to examine and inspect the safety and mechanical condition of the golf cart, reporting any concerns or problems before driving the vehicle.

4. I understand that a golf cart is subject to the same laws and regulations pertaining to motor vehicles and therefore agree that the golf cart will be operated in accordance with the laws of the State of Texas and the local laws of Galveston County, including but not limited to the requirement that persons driving the golf cart must not be under the influence of alcohol and/or illegal drugs. I further agree that I personally will be responsible for all moving and/or parking violations issued to said cart while it is in my possession, under my control, or at any time during rental period. I agree that I will not operate the golf cart at night or in the surf or allow salt water to come in contact of mechanical or electrical components. I further agree that law prohibits me from using the golf cart on or along Hwy 87.

5. I agree that only persons who are **21 years or older**, possess a valid driver's license and insurance as required by law shall be permitted to drive the golf cart. I further agree that the maximum occupancy of the golf cart is 6 persons, including children.

Golf Cart Information Sheet

- Key must be removed from cart anytime it is left unattended. Turn the key in the "off" position when parked.
- DO NOT OPERATE Cart In The Surf or at Night. Do not drive the cart on other people's property, native grasses or on the dunes. Doing so will result in the loss of the use of the cart and your security deposit at a minimum, no exceptions!
- At no time should there be more than 6 passengers on the cart. Allowing more than 6 passengers on the cart will result in suspension damage and repair cost will be charged against your deposit.
- Do not make turns at high speeds. Slow down to turn or make corners especially with carts that have altered suspensions, as they are prone to rollover at high speeds.
- It is our goal to provide customers with reliable golf carts by which we perform routine maintenance. Do not for any reason attempt to perform maintenance or repairs on the cart. If you are unable to resolve the problem, contact Cobb Real Estate immediately and we will send out a mechanic as soon as possible. Should the problem result in the loss of use during the agreed upon rental time, you will be refunded appropriately. Failure to notify us of a problem will result in no refund for that period of time we were not notified of the problem. In the event we are requested to make a service call and it is determined that the problem is the result of improper operation of the cart or failure to follow the proper procedures described in the golf cart agreement, a \$25.00 fee will be charged against your deposit.
- When filling the gas cart, only clean fresh **Super Unleaded Gas must be used**. No regular gas please! Regular gas will clog the fuel filter. Leave approximately 5 gallons of gas in the cart and/or the Gas Can provided. The cart may be fueled at Valero at the intersection of Hwy 87 and Stingaree. The cart can be driven down the beach 1 mile to Stingaree to get to the gas station. It is ok to cross Hwy 87. You may also fill the Gas Can and add to the cart. There is no gas gage, so it is necessary to check the fuel level by lifting the middle seat. One tank goes a long way, but it is wise to check it before every use.
- At least once every day and upon completion of rental, cart should be washed off thoroughly. Do not use a pressure washer, water hose with a sprayer will be sufficient. Make sure that the entire cart is rinsed, including the undercarriage. Please park the cart on the grass while rinsing to keep sand off the driveway. Properly rinsing the cart is critical to extending the life and maintaining its condition. **"Note" Failure to wash the cart daily and at the completion of rental period will result in a \$25.00 cleaning fee that will be charged against your deposit.**
- Our carts are inspected for damage at the beginning and end of rental period. In the event the cart is damaged during the rental period an estimated repair cost will be charged against your deposit.
